Dear Ms. Jones, Ms. Coleman and Ms. Bryson,

Thank you for Lights on Atlanta-
After School All Stars. I have enjoyed the
many activities afterschool. Sometimes
I'm so wrapped up in what I'm
doing that I don't want to leave.
There are tutoring classes, also. Such
as mathematics, science, and language
arts. I love the field trips ever
Friday to different places.

Thanks,
K. Hampton
