Step Team

Nutrition

Debate

Drama Club-Improv

Occasion

The After-School All-Stars provides students with a safe haven after-school. Students have the opportunity to engage in both academic and extra-curricular activities. The purpose of the evening is for students to demonstrate and discuss what they are learning in their after-school classes, and to provide the chance for families to interact with another through dinner and fellowship.

Ms. Woods and Mrs. Bird would like to thank everyone attending our first After-School All-Star Family Night. Without the staff, students, and parents, tonight would not have been possible.
